All participants must sign and submit a waiver before the first practice session. (Please duplicate the waiver in this package as required).

All equipment, including dragon boats, paddles, and life vests will be provided by the event organizers. Each participant will be required to wear a life vest or personal flotation device during all practices and races. All practice sessions are approximately 1 hour. Please ensure your team arrives at the practice site 15 minutes prior to your team practice time, and finishes the hour promptly to ensure schedule efficiency. Each team will have the option of two practices. Practices will start two to three weeks prior to race day.

All teams are entitled to 2 practice sessions per festival. Depending on the availability of boats, additional team practice sessions may be scheduled for \$50 each. If there is enough demand, we will try to schedule an additional team practice day per week.

Non-Local Teams

Practices can be scheduled for non-local teams upon request. They can be scheduled to fit in with day, time and arrival of team. We will schedule the practices at the race site so that teams can get a feel for Miami waters.
